

BD Releases 2022 Global Inclusion, Diversity and Equity Annual Report

FRANKLIN LAKES, N.J., Dec. 8, 2022 /PRNewswire/ -- BD (Becton, Dickinson and Company) (NYSE: BDX), a leading global medical technology company, today announced the release of its second annual [Global Inclusion, Diversity and Equity \(ID&E\) Report](#) for fiscal year 2022.

The report, titled "We are the makers of possible," is an example of how BD is advancing its environmental, social and governance (ESG) strategy – *Together We Advance*. It also showcases the power of diversity of thought through its 77,000 global associates who create the solutions to help fulfill its Purpose of *advancing the world of health™*.

"For 125 years, BD has delivered innovative products and solutions that have had a profound impact on global health," said Tom Polen, chairman, CEO and president of BD. "The diverse perspectives and experiences of our people fuels our ability to adapt to the evolving needs of patients and customers, and as a result, ID&E is an integral part of everything we do — from setting goals to creating strategies, making decisions, ensuring accountability, and empowering our associates to speak up to help create a better world and better BD."

The report details the progress the company is making towards its 2030+ ESG goals for promoting a healthy workforce and communities. Most specifically, highlighting the improvements made to increase diverse representation by 1% year-over-year at the management and executive levels. The report also features spotlights of its global associates at various levels of the organization, and Associate Resource Groups, who are advancing the culture and driving meaningful change within BD and throughout the communities it serves. The company continues to exceed healthcare industry benchmarks in gender and ethnic diversity representation.

"I am proud of the meaningful progress we are making on our journey to build a more equitable and inclusive BD," said Nicole Thompson, vice president, Inclusion, Diversity, Equity and Engagement at BD. "We remain committed to, and most importantly, accountable for providing a workplace and processes that are fair and provide equal access to resources and opportunities. I am encouraged by our momentum and more committed than ever to continue delivering measurable results for our associates, customers and communities."

As part of the company's commitment to ID&E, it regularly participates in external benchmarking surveys to track progress and provide additional visibility to stakeholders. In 2022, BD was recognized for its inclusive policies and practices, including:

- Named to *Forbes* List of World's Best Employers
- Named to *Forbes* List of Best Employers for Diversity
- Included in the Bloomberg Gender-Equality Index
- Named a Best Place to Work for LGBTQ+ Equality by the Human Rights Campaign Foundation
- Named a Noteworthy Company by *DiversityInc*
- Named a Best Place for Vets Employer by *Military Times*

Forward-Looking Statements

This press release contains certain forward-looking statements within the meaning of the federal securities laws regarding BD's ID&E strategy, goals, commitments and objectives. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those expressed, projected, anticipated or implied in such statements. All statements, other than statements of historical facts, may be forward-looking statements. Some forward-looking statements may be identified by the use of words such as "plan," "expect," "believe," "intend," "will," "may," "anticipate," estimate," "target," and other words of similar meaning. Readers should not place undue reliance on forward-looking statements. Forward-looking statements are, and will be, based on management's then-current views and assumptions regarding future events, developments and operating performance, and speak only as of their dates.

Statements regarding BD's goals, commitments and objectives may include statistics or metrics that are based on estimates and assumptions. Such goals, commitments and objectives are not intended to be promises or guarantees, and actual results may differ, possibly materially. It is not possible to predict or identify all of these risks and uncertainties that could cause actual results to differ, many of which are beyond BD's control, including, without limitation, challenges relating to economic, competitive, governmental and technological factors affecting BD's operations, markets and products, and other factors listed in BD's 2022 Annual Report on Form 10-K and other filings with the Securities and Exchange Commission (SEC). BD expressly disclaims any undertaking to update or revise any forward-looking statements set forth herein to reflect events or circumstances after the date hereof, except as required by applicable law or regulation.
