

BD Named as One of America's Best Large Employers

FRANKLIN LAKES, N.J., Feb. 15, 2023 [/PRNewswire/](#) -- BD (Becton, Dickinson and Company) (NYSE: BDX), a leading global medical technology company, announced that the company has been named to America's Best Large Employers List 2023 by *Forbes*, furthering its progress against the company's environmental, social and governance (ESG) strategy.

"This recognition is a reflection of our continued commitment to build on our already strong culture where our associates are free to be themselves, feel comfortable speaking up and have the ability to grow and develop in their careers," said Tom Polen, chairman, CEO and president of BD. "Achieving this recognition demonstrates that our associates feel valued when they come to work every day. We believe that when we can bring our best selves to work, we can bring the best products and solutions to patients around the world."

The rankings were compiled by surveying 45,000 Americans working for businesses with at least 1,000 employees. Participants were asked to rate their willingness to recommend their own employers to friends and family. The final list ranks the 500 large employers that received the most recommendations.
